

Subject Access Request

Dun & Bradstreet supply commercial data, therefore any personal data processed is connected to an organisation. Pursuant to the General Data Protection Regulation 2016/679 (GDPR) and various local market implementing legislation, individuals wishing to access their Personal Data (as defined in GDPR) processed by Dun & Bradstreet must provide us with the below information. This form is provided for your convenience and you do not have to use it if you do not wish to. However we require the following minimum information in order to ensure we are searching and returning information on the right individual.

To help us make sure we only provide information to the correct individual, all applications are subjected to security checks. We may therefore require further information in support of your request, such as identification. We will let you know once we have received your request if this is required. If identification is required, please be assured this will be destroyed once we are satisfied of your identity.

Any information provided will be used only for the purpose of fulfilling this subject access request.
